

BLOCK *the* BUDGET

9am | City Hall, London

Mayor Boris Johnson's £1.8bn budget goes to the vote on 23 February.

If this budget passes it will mean continuing rent hikes, further sell-offs of public land in sweetheart deals and more "affordable" housing that most people can't afford.

It's a recipe for bigger profits for landlords and developers, and more social cleansing and homelessness for ordinary Londoners.

Join us to demand:
**SOCIAL HOUSING
NOT SOCIAL CLEANSING**

at our family-friendly demonstration with music and food.
