 **Housing Workers**
BRANCH 1111
JOBS AND HOMES FOR ALL

Diskus Centre
Unite HQ
128 Theobalds Road, London
WC1X 8TN

The Network is sponsored by the Unite Housing Workers Branch. It is open to residents of all tenures of housing, campaigners and housing workers.

We aim to campaign together on the issues that affect us - the increasing commercialisation of housing and the deterioration in working conditions for housing workers.

The meeting will discuss a Fire Safety campaign. Housing workers and residents want more transparency over fire safety measures. We never want anyone to experience another inferno. We will also discuss bringing together more resources for housing campaigning.
