

# Unite National Housing Reps Forum

**11th September**

**11am – 4pm**

**Unite HQ, 128  
Theobalds Road, London  
WC1X 8TN**

***“It’s been brilliant meeting  
other reps at these events.  
The solidarity we’ve built  
has made my job a lot  
easier with useful  
information and fresh  
ideas.”***

**Housing Association Rep**

The Unite Housing workers forum is a great opportunity for housing reps to meet and build campaigns across the sector.

We’ve developed a common advance pay claim and built a campaign to roll it out. The solidarity has also helped us to win disputes in some high-profile housing associations.

Our sector is financially very healthy and top executives are handsomely paid. Nonetheless workers are told that there is no money for pay rises or to employ sufficient staff numbers.

**Unite is saying enough is enough. It is time to win our fair share! Join us for a day of discussion and planning.**

Unite will meet reasonable travel expenses in line with the Unite Expenses Policy and lunch will be provided.

Please register your attendance with **[dawn.chatfield@unitetheunion.org](mailto:dawn.chatfield@unitetheunion.org)** so that we know how many to cater for.
