

SUPPORT ST MUNGO'S WORKERS IN LONDON

ON STRIKE 16-18 March 2020

Workers from the homelessness charity St Mungo's in Bristol, Brighton and London are taking three days of strike action.

We have been warning the charity that its treatment of staff and the attacks on our working conditions are putting the service to homeless people under severe strain.

Our clients' safety is our first priority, which is why we feel so strongly about taking this action to defend the quality of services we deliver.

We are taking to the picket lines with heavy hearts, but protecting the future of St Mungo's' services matters to us.

TAKE ACTION:

Join us on our London picket lines and at the rallies.
