

Resolution Date: 13th October 2020

Resolution Title: Unite and The Labour Party

This branch welcomes the decision of the Unite Executive Council to reduce the number of members which we affiliate to the Labour Party.

We should give no blank cheque to a party that practices “fire and rehire” in local authorities where it has control, carries out cuts and outsourcing to non-union firms and whips MPs to abstain on the ‘Spy Cops’ bill which leaves union activists and others unprotected from illegal acts by the state.

Faced with huge attacks, the working class urgently needs a political voice. We ask the executive council to launch a discussion on supporting candidates that stand for Unite policy and represent working class people irrespective of whether they are official Labour candidates.
