It's so easy to join – just follow these simple steps

1 Start by filling in details about yourself

Please be as accurate as possible with addresses and contact numbers – as this is the means by which we can contact you. If you have an e-mail address, please tell us. Completion of your ethnic origin helps us to direct services to the benefit of members in many areas of the Unions activities; recruiting, organising, bargaining and campaigning.

2 Next, tick the membership rate you wish to pay; **T&G Care; T&G Care Part-time; T&G Care Extra; T&G Care Extra Part-time** (will provide for additional sickness benefit); whether you are **part-time** or under 18; or whether you are under 21 and on a **Youth Training** scheme. (reduced rates may apply).

*If you are a driver and wish to join the **Driver Care scheme**, please check the appropriate box to receive a separate application form for this additional service.*

3 Next, fill in details about your employer.

Accurately completing the Post Code where you work helps us identify members and officials near you, should you need support.

Additional information such as your Clock Number and National Insurance number (if you know it), assist us greatly in dealing with any claims or issues that may arise.

4 Now choose how to pay, either through your wages, or by direct debit from your bank or building society. You can also choose to pay by cash or cheque.

5 You will need to additionally complete section 5 “Direct Debit Details” if you have chosen this method.

6 Then tell us about any previous union membership

7 Don't forget, **sign, date** and hand in the form to your T&G representative or post it to your region.
